"Escaping the leadership riptide" was a complete mind shift for me!

Very valuable tools learnt – which I'm determined to put into practice.

"Inspiring and professional"

Thanks for the "safe" space and positivity that you created.

Thank you for the opportunity to work on my leadership skills and also to create more leaders!

It was great to connect with dynamic women and share ideas.

The energy that Tracey and Lisa brought was not only inspiring but incredibly valuable.
